

Environmental Statement

Family Wise Limited continually recognises the need for sustainable development and always considers and aims to improve how its activities will affect the environment. To achieve this aim *Family Wise Limited* will establish sound environmental management by:

- Conforming to current relevant legislative, regulatory and environmental codes of practice.
- Developing objectives that target environmental improvements.
- Monitoring environmental performance with regular reviews.
- Considering any relevant environmental issues in decision making processes.
- Developing relationships with suppliers and contractors in order that everyone recognises and understands their environmental responsibilities.
- Educating staff so that they are able to carry out their work activities in an environmentally responsible manner.

Providing for the effective use of resources by:

- Promoting waste recycling.
- Finding other uses for by-products whenever economically viable.
- Promoting the efficient use of resources, energy and fuel.

Co-operating with:

- The community in which we operate.
- Any relevant government and regulatory bodies.
